

# EJ MANN

# THIS IS NOWHERE

**Intro** (Am | Dm | Em)

**Verse** (Am)  
Eye of the storm, treading the water, coming up shorter, missing the mark  
Standing in line, taking the orders, slowing the motion

(Dm)  
Losing time, time

(Am)  
Bring the horizon, running the miles down, running the miles down, running em down

(Dm)  
Beating the system, burning the bridges, whatever this is, they won't take us alive

(Am)  
Take us alive, they won't take us alive . . . yeah, yeah ,yeah

(Dm) (Em)  
We gotta get out, get out of here

**Chorus** (Am)  
This is nowhere, only the place left in between

(C)  
This is nowhere, somewhere from some place I should be

(Dm) (Am)  
I gotta get out, I gotta get out, get out of here

**Verse** (Am)  
This is nowhere, taking it's toll, we're deep in hole, can't shake of the dust

(Dm)  
Only the darkness, kill the lights, we stay to hide behind the lies, lies

(Am)  
Behind the lies

(Dm) (Em)  
Ooh yeah yeah, we gotta get out, get out of here

**Chorus** (Am)  
This is nowhere, only the place left in between

(C)  
This is nowhere, somewhere from some place I should be

(Dm) (Am)  
I gotta get out, I gotta get out, get out of here

(Dm) (Em)  
Yeah, yeah, this is nowhere, I gotta get out
